

STRENGTHS

CRYPTO CONTEXT

Comfortable inside DeFi and crypto-native environments where context is dense, fast-moving, and operationally messy.

SYSTEMS THINKING

Building modular, repeatable structures that improve speed, consistency, and team execution.

OPERATOR LENS

Working backward from what teams actually need to see, decide, and ship under pressure.

CAPABILITIES

- Graphic Design
- Illustration
- 2D/3D Design
- Motion Design
- Social Media Visuals
- Brand Assets
- Remote / Global
