DeFi Blockchain  
 Gaming  
 Technology

### Qualities

Adaptability  
 Self Motivated  
 Diverse set of skills  
 Problem-solving  
 Creative

### Portfolio

### Multimedia Marketing Designer

at **Factor**  
 from 4/2024

### Work Experience

- Developed and implemented Factor's brand identity across all platforms, maintaining visual consistency.
- Developing custom illustrations, 2D/3D motion designs for product demos or promotional videos.
- Collaborated with cross-functional teams to produce creative solutions that meet both business and marketing goals.
- Using AI tools to create concept art or visual narratives for campaigns.
- Designed templates (e.g., pitch decks, reports, and repetitive social media posts) for team use, ensuring ease of use and alignment with branding.
- Led creative direction for marketing campaigns, aligning visuals with brand strategy and audience expectations.
- Coordinated merchandise production, working with vendors to design and produce high-quality branded merchandise.
- Managed freelancers, overseeing their work to ensure high standards and timely project completion.
